

### Notes

Flood defence information shown on this map is based on the raised flood defence GIS file provided by the Environment Agency.

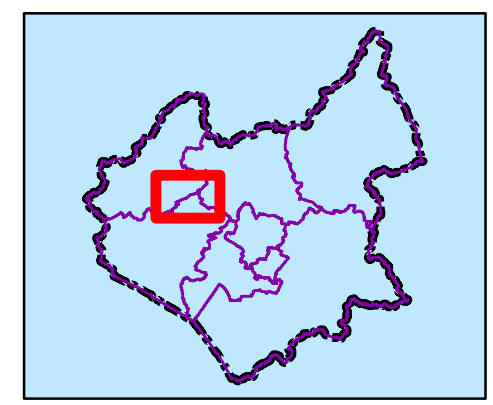

Where the overall condition has been recorded as 0, it is assumed that this is unknown or that the overall condition has yet to be determined.

The flood defences shown on this map do not represent formal flood defences.

This map may not include all defences within the study area.

Not all defences may be visible at this scale.

### Key Plan

### Legend

SFRA study area boundary

Main River

Ordinary Watercourses

#### Raised Defences - overall condition

0 - unknown / yet to be determined

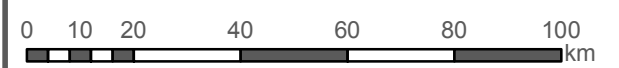

1 - very good

2 - good

3 - fair

4 - poor

5 - very poor
